

Individuals who ride bicycles and snowmobiles in recommended Wilderness will also be affected by the decision. The 1987 Clearwater Forest Plan recommended 198,200 acres for Wilderness designation in the Mallard-Larkins, Hoodoo (Great Burn), and Selway-Bitterroot areas.

Upon issuing the decision the Forest will focus efforts on creating a Motor Vehicle Use Map that will display the travel management decision for Forest users. That will hopefully be completed prior to the summer travel season.

The Clearwater National Forest initiated the travel planning process in response to national agency direction to designate roads, trails and areas where motorized travel will be permitted and to display them on a Motor Vehicle Use Map.

The Travel Planning Final Environmental Impact Statement and Record of Decision represent the culmination of more than four years work and incorporation of thousands of public comments.

All recommended wilderness areas are closed to motorized and Mountain bikes. The process used, doing the travel planning before forest planning, made it impossible for us to prevail in the Great Burn. This is so wrong in so many ways! ... Sandra Mitchell

Jerry Dunnagan

Beat your Brother Burritos

Ingredients

- 3 lb chuck roast
- 1 tsp salt
- 1 tsp pepper
- 1 tsp garlic powder
- 1 chopped onion

Directions

In a pot add all the ingredients and simmer for 3-4 hrs. (Be sure to add enough water to cover meat.)

Next >>>>

remove meat and transfer water into a large bowl. In the same pot chop 1 tomato, 1 bell pepper, 1 onion, 1 tsp salt, 1 tsp pepper, 1 tsp cumin, 2 tsp pasilla chili powder and a little water. Simmer until vegetables soften then add a 15oz can of tomato sauce, the shredded meat and enough of the meat water to moisten. Probably a couple cups. Simmer for about an hour. Put the mixture into a tortilla and top with your favorite burrito toppings. You can also laddle some of the hot meat sauce that you set aside earlier over the top. I will send out a good hot sauce and salsa recipe later...
