

2008 Tentative Events Schedule!

Tentative because it's subject to change

Maps, directions & more details available on the website & monthly newsletters
Trail Maintenance dates will also be added a.s.a.p. and additional rides as they become available.

May

10th - Join EWA club for their ride to Meadow lake / lone area. Snow levels may make it difficult to get out in Idaho and we thought it would be a nice idea to join one of their rides and support that club's activities too. I was not able to reach Gary Prewitt today by phone but will send him an e-mail suggesting this. Not sure if it will be necessary to pack a lunch for this ride or if there is a restaurant on the route.

17th - Shriner's Poker Run - Smeltonville

18th - Polaris-sponsored Scoot-n-Shoot (already scheduled/planned by others)

22nd - ATV Maintenance Night - Bob Leisenring's Shop

June

8th - Spirit Lake/Blanchard/Hoo Doo Mtn. ride proposed by Alvin - we'll ask him to lead. This ride on Sunday to include members who can't make Saturday rides. Need to pack a lunch for this ride. May be classified as a Sport ride due to snow levels, however it's a little too earlier to decide as of the printing of this newsletter.

22nd - Specialty Recreation Sponsored club ride 4th of July to Harrison for BBQ and prize give-aways.

July

18th-20th - Club campout at Shoshone Creek. Club ride planned for Saturday. Some may choose to ride again on Sunday as a group or individually - we won't make a formal plan. Potluck or group breakfast on Saturday or Sunday morning.

August

3rd - Canfield to Spades Lookout and Hudlow warming hut - need to pack a lunch for this ride. Another ride for the Sunday crowd.

16th - Bayview/Cape Horn Mtn./Little Blacktail Rd. - we'll ask Linda Williams to either lead this ride or help plan the route. Need to pack a lunch for this ride.

September

20th - \$10,000 Silver Dollar Bar ride - Lunch and fuel available. Shoshone fish hatchery to Silver dollar bar in Montana.

October

18th - Wallace to Avery - Lunch and fuel available.

November

15th - Juniper Dunes (WA) if still open or other Central WA or Tri-Cities area ride or possibly south to Troy area - a little warmer and less snow than North Idaho in November. Camping for those who want to stay over or get there the night before.

December

December 9th - Year End Christmas Party

There will be more sport rides, campouts, and Trail maintenance events planned throughout the year.

One ride in the works is:

Bunco to Clarkfork - fuel and a restaurant in Clarkfork. Approx. 50 miles one-way
